# A Big Welcome!

## Welcome to the Hereford & District Driving Group (HDDG)

You will discover that despite being steeped in tradition and history, carriage driving in the 21st century knows few boundaries and is one of the few pursuits where people of all abilities, ages and social backgrounds can happily participate on an equal basis.

The Hereford Group is no exception, and is a popular active and friendly driving club established to promote the diverse world of carriage driving and openly welcome anyone interested in driving with or without their own turnout. (Horse and carriage)

The club is affiliated to the British Driving Society and is located in and around Herefordshire. This includes members from the neighbouring counties of Gloucestershire, Gwent, Powys, Shropshire and Worcestershire.

With a mixed membership of experienced and novice drivers, the club enjoys a wealth of knowledge and freely helps new and inexperienced carriage drivers. We hold a regular diary of events including monthly social meetings in Hereford and accommodate all aspects of driving for the experienced to the not-so-experienced!

Our events list includes all aspects of carriage driving from simple rallies in the tranquil countryside of Herefordshire and the surrounding counties to hosting one of the premier driving shows in the country.

With a keen eye on safety and continuous improvement, we often hold seminars, lectures, demonstrations, training days as well as lighthearted fun events such a driving trials, picnic rallies, treasure hunts and a whacky Autumn Fun show with a fancy dress parade!

Our membership boasts some of the country's leading drivers winning some of the most prestigious national and international carriage driving titles. Their experience and success helps promote excellence in driving skills including encouraging members to undertake new challenges such as driving pairs, tandems and upgrading to bigger horses and carriages.

With the use of our website at [www.hddg.co.uk](http://www.hddg.co.uk) and regular newsletters, members are constantly kept in touch with the latest news and events, which all helps to make joining the Hereford and District Driving Group a great place to start having some fun!
